The time to gather on the sacred ground of the Jumping Bulls is close at hand. The commemoration needs your support to raise funds for this years events.

It is always a struggle each year I guess as it should be, to bring all the parts of the gathering to fruition. From securing the venue, opagi the elders and talk to the people necessary to insure safety, security and the drums needed each year, honestly that covers just a portion of what goes on behind the event scene.

No one can imagine the months of preparation, the hours of phone calls and the bringing

together of people who on the best day are impossible to even get on a phone call for 5 minutes.

This commemoration is to commemorate Leonard's 40th year in prison. So with the importance of this years events we must remember the many years he has missed the freedom we all take for granted everyday.

I know how hard it is for everyone. Imagine being locked away from family friends and your way of life for 40 years. I promise we all have things to be thankful for.

At last years event I spoke with Leonard and the truth that

gets spoken between us for those 3 short minutes each year tear my heart and soul to pieces. I tell you now with all honesty, without your financial support at this time I wont be able to answer that call when it comes this year as there will be no event. I refuse to tell him that truth.

Please at this time contact the Oglala Commemoration web page to donate via pay pal. We need to raise just over 4000.00. Most of which needs to be in by end of March. The web page is www.oglalacommemoration.com

Thank you for your support as always... Please attend june 26th 2015
